2. Choix

The wireframe shows a web application for comparing products. The header features a logo, a search bar, and a mobile menu icon. The main content area is titled 'Résultats' and displays a grid of 8 product cards. Each card includes a placeholder image, a checkbox, and a label (Appareil 1 through Appareil 8). A 'Filtres' button is positioned in the top right of the results area. A 'COMPARER (3)' button is located at the bottom right of the page.

4. Fiche

3. Comparaison

The image shows a wireframe of a web application interface. At the top, there is a header bar with a browser window icon (three circles) and a search bar. The search bar contains a magnifying glass icon and a placeholder text "RECHERCHER". To the right of the search bar is a mobile menu icon (a square with a circle inside). Below the header bar, the main content area is titled "Comparaison" in a large, bold font. To the right of the title is a plus sign icon in a circle. Below the title, there are three placeholder images for "Appareil 1", "Appareil 2", and "Appareil 3". Each placeholder is a rectangle with a diagonal cross. Below the images, there is a table with 8 rows and 4 columns. Each cell in the table contains a horizontal bar, representing a comparison metric. The bars are of varying lengths, indicating different values for each item and metric.
