COMPARER (3)

A mobile application interface mockup for a product page. The top navigation bar includes a 'LOGO' placeholder, a search icon, and a square menu icon. Below the navigation bar is a back arrow and a large placeholder image for the product. The product name 'Appareil 1' is displayed, followed by three empty pill-shaped buttons. The price '2 499 CHF' is shown in a rounded rectangle, with a '+ COMPARER' button below it. The 'Specs' section features two columns of five horizontal lines each. The 'Benchmarks' section displays three horizontal bars, each with a black segment representing a value and a white segment representing the remaining range.
